Proposal rejection letter

Dear Madam/Sir,

I am writing in connection with your proposal for the above-mentioned call.

Having evaluated your proposal, we regret to inform you that it cannot be funded because the score obtained does not reach the minimum threshold necessary.

Please find enclosed the evaluation summary report (ESR). It is based on the comments and opinion of independent outside experts that helped with the evaluation.

I would be grateful if you could inform the other members of your consortium (if any) of this letter.

We thank you for your interest and hope that you will not be discouraged from applying to our calls in the future.

Yours faithfully,

Pascale CID
Head of Unit

Information on the means of redress

You may request an **evaluation review** on the procedural aspects of the evaluation (not the merits of your proposal). This request must be submitted by the coordinator via the following link: <https://webgate.ec.europa.eu/redress-frontoffice/work.iface> — within 30 days after receiving this letter.

You may bring an action for annulment under Article 263 of the Treaty on the Functioning of the European Union (‘**Article 263 action**’) against the Commission before the [General Court](#) — within 2 months of receiving this letter.

 Please do not take **more than one** formal action at a time. Wait for the reply to your complaint, and then take further action against that decision. **Deadlines** for further action will start to run as from when you receive the reply to your complaint (final decision).
